DETAILED ACTION

Drawings

The corrected or substitute drawings were received on 01/23/03. These drawings are accepted by the examiner.

Allowable Subject Matter

Claims 9-11 and 13-20 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance:

The prior art of Kashimura (J.P. Application 10313549) and Fukuoka et al. (J.P. Application 11089170 A) disclose the claimed matter of Shibuta except for the caulked portion extending into the groove that is between the inner and outer surface and that the caulked portion is positioned at a level that is closer to the bottom of the groove than at a level and at which the end surface is positioned. The end surface defines a recess opens into the groove and does not extend completely across the end surface. The end surface is continues from the first end to the second end and is intersecting with the outer surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
